National Tracking Poll #170904
September 07-11, 2017

Crosstabulation Results

Methodology:

This poll was conducted from September 07-11, 2017, among a national sample of 1975 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL14_6: As you may know, North Korea recently tested a hydrogen bomb, a type of nuclear weapon, and has promised to perform more nuclear tests in the near future. Knowing this, do you support or oppose the following kinds of U.S. action to pressure North Korea to stop building its nuclear weapons program?

Send in U.S. ground troops to take control of the country

Table POL19_2: As you may know, autonomous vehicles, also known as self-driving cars, are predicted to be available to consumers in the next few years. These vehicles are controlled by technology and capable of traveling without human operation, but require a person to be ready at the wheel to take control at any time. Knowing this, how likely are you to...
