Methodology:
This poll was conducted from December 07-10, 2018, among a national sample of 1997 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
### Table Index

1. **Table P1**: Now, generally speaking, would you say that things in the country are going in the right direction, or have they pretty seriously gotten off on the wrong track? ................................................................. 7

2. **Table Q172**: Do you approve or disapprove of the job Donald Trump is doing as President? .................. 11

3. **Table Q172NET**: Do you approve or disapprove of the job Donald Trump is doing as President? ........ 15

4. **Table P3**: Now, thinking about your vote, what would you say is the top set of issues on your mind when you cast your vote for federal offices such as U.S. Senate or Congress? ....................................................... 19

5. **Table POL1_1**: Who do you trust more to handle each of the following issues? The economy ........... 24

6. **Table POL1_2**: Who do you trust more to handle each of the following issues? Jobs ......................... 28

7. **Table POL1_3**: Who do you trust more to handle each of the following issues? Health care .............. 32

8. **Table POL1_4**: Who do you trust more to handle each of the following issues? Immigration ............. 36

9. **Table POL1_5**: Who do you trust more to handle each of the following issues? The environment ...... 40

10. **Table POL1_6**: Who do you trust more to handle each of the following issues? Energy .................. 44

11. **Table POL1_7**: Who do you trust more to handle each of the following issues? Education ............... 48

12. **Table POL1_8**: Who do you trust more to handle each of the following issues? National security ...... 52

13. **Table POL1_9**: Who do you trust more to handle each of the following issues? Sexual harassment and misconduct in the workplace ................................................................. 56

14. **Table POL1_10**: Who do you trust more to handle each of the following issues? Gun policy ........... 60

15. **Table POL2_1**: How important of a priority should each of the following be for Congress? Passing a healthcare reform bill ................................................................. 64

16. **Table POL2_2**: How important of a priority should each of the following be for Congress? Investigating some of President Trump's campaign officials for alleged connections or contacts with the Russian government during the 2016 elections ................................................................. 68

17. **Table POL2_3**: How important of a priority should each of the following be for Congress? Reforming entitlement programs like Medicare and Social Security ....................................................... 72

18. **Table POL2_4**: How important of a priority should each of the following be for Congress? Passing an infrastructure spending bill ................................................................. 76

19. **Table POL2_5**: How important of a priority should each of the following be for Congress? Passing a bill to reform regulations on banks and financial services companies ....................................................... 80

20. **Table POL2_6**: How important of a priority should each of the following be for Congress? Passing an immigration reform bill ................................................................. 84
Table POL2_7: How important of a priority should each of the following be for Congress? Constructing a wall along the U.S. / Mexico border ................................................................. 88

Table POL2_8: How important of a priority should each of the following be for Congress? Passing a bill that grants young people who were brought to the United States illegally when they were children, often with their parents, protection from deportation ................................................................. 92

Table POL2_9: How important of a priority should each of the following be for Congress? Reducing the federal budget deficit ................................................................. 96

Table POL2_10: How important of a priority should each of the following be for Congress? Passing legislation placing additional restrictions on gun ownership ................................................................. 100

Table POL3_1: How much have you seen, read or heard about each of the following? President Trump and Chinese President Xi Jinping meeting on Dec. 1 in Argentina to try to negotiate an end to the ongoing trade war between the two countries ................................................................. 104

Table POL3_2: How much have you seen, read or heard about each of the following? Recent swings in the stock market ................................................................. 108

Table POL3_3: How much have you seen, read or heard about each of the following? The death of former president George H.W. Bush ................................................................. 112

Table POL3_4: How much have you seen, read or heard about each of the following? Republican state lawmakers in Wisconsin and Michigan sponsoring and passing legislation before newly elected state representatives are sworn into office to weaken the power of executive offices set to be assumed by Democrats in January ................................................................. 116

Table POL3_5: How much have you seen, read or heard about each of the following? President Trump nominating William Barr to replace Jeff Sessions as Attorney General ................................................................. 120

Table POL3_6: How much have you seen, read or heard about each of the following? Federal prosecutors in New York City recommending Michael Cohen, President Trump's former lawyer, serve a 'substantial term' in prison. ................................................................. 124

Table POL4: As you may know, President Trump and Chinese President Xi Jinping met on Dec. 1 to begin negotiations to end to the ongoing trade war between the two countries. Based on what you know, would you say that the meeting between the two leaders was successful or not successful? ................................................................. 128

Table POL5: In general and in your view, have free trade agreements had a positive or negative impact on the U.S.? ................................................................. 132

Table POL6: And in your view, has the U.S. benefited more, less, or the same as other countries in the free trade agreements the U.S. is party to? ................................................................. 136

Table POL7: Generally speaking, do you support or oppose imposing tariffs on foreign-made goods that compete with goods made in the U.S.? ................................................................. 140

Table POL8: And, do you think the economy benefits more from imposing tariffs on foreign-made goods to protect domestic industries, or benefits more from reducing tariffs and promoting free trade? ................................................................. 144

Table POL9: Which of the following comes closest to your view, even if neither is exactly right? ................................................................. 148
Table POL10_1: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? The U.S. economy

Table POL10_2: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? The Chinese economy

Table POL10_3: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? U.S. businesses

Table POL10_4: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? Chinese businesses

Table POL10_5: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? U.S. consumers

Table POL10_6: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? Chinese consumers

Table POL10_7: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? The upper class in the U.S.

Table POL10_8: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? The middle class in the U.S.

Table POL10_9: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? The lower class in the U.S.

Table POL10_10: Do you think that raising tariffs on Chinese exports to the U.S. will help or hurt the following? U.S. job creation

Table POL11: Do you personally believe the U.S. economic relationship with China has gotten better or worse in the last year?

Table POL12: How likely do you think it is that Russia has compromising information on President Trump?

Table POL13: Do you think the Department of Justice's investigation into Russia's influence on the 2016 presidential election has been handled fairly or unfairly?

Table POL14: Do you think President Trump's campaign worked with Russia to influence the outcome of the 2016 presidential election?

Table POL15: And do you think President Trump has tried to impede or obstruct the investigation into whether his campaign had ties to Russia?

Table POL16_1: How much confidence do you have in each of the following institutions? The military

Table POL16_2: How much confidence do you have in each of the following institutions? Small business

Table POL16_3: How much confidence do you have in each of the following institutions? The police

Table POL16_4: How much confidence do you have in each of the following institutions? The church/organized religion
Table POL16_5: How much confidence do you have in each of the following institutions? The health care system .......................... 228
Table POL16_6: How much confidence do you have in each of the following institutions? The presidency 232
Table POL16_7: How much confidence do you have in each of the following institutions? The U.S. Supreme Court .......................... 236
Table POL16_8: How much confidence do you have in each of the following institutions? Public schools 240
Table POL16_9: How much confidence do you have in each of the following institutions? Banks ..... 244
Table POL16_10: How much confidence do you have in each of the following institutions? Organized labor .......................... 248
Table POL16_11: How much confidence do you have in each of the following institutions? The criminal justice system .......................... 252
Table POL16_12: How much confidence do you have in each of the following institutions? Television news .......................... 256
Table POL16_13: How much confidence do you have in each of the following institutions? Newspapers 260
Table POL16_14: How much confidence do you have in each of the following institutions? Big businesses 264
Table POL16_15: How much confidence do you have in each of the following institutions? Congress 268
Table POL17_1: How much do you agree or disagree with the following? Current elected officials should not pass legislation that limits the power of incoming newly elected officials in other branches of government .......................... 272
Table POL17_2: How much do you agree or disagree with the following? Current elected officials should always have the ability to pass legislation for the whole duration of their term, even after new officials have been elected. .......................... 276
Table POL17_3: How much do you agree or disagree with the following? Current elected officials should always have the ability to pass legislation throughout their term. .......................... 280
Table POL17_4: How much do you agree or disagree with the following? Current elected officials should act as a check on the power of incoming newly elected officials in other branches of government .......................... 284
Table POLx_1: Next we will look at a list of names that are active in politics. It is a long list, please take the time to go through the list carefully and give an individual answer for each name below. For each person, please indicate if you have a Very Favorable, Somewhat Favorable, Somewhat Unfavorable, or Very Unfavorable opinion of each. If you have heard of the person, but do not have an opinion, please mark 'Heard Of, No Opinion.' If you have not heard of the person, please mark 'Never Heard Of.' Mitch McConnell .......................... 288
Table POLx_2: Favorability for Paul Ryan .......................... 292
Table POLx_3: Favorability for Nancy Pelosi .......................... 296
Table POLx_4: Favorability for Charles Schumer .......................... 300
Table POLx_5: Favorability for Mike Pence .................................................. 304
Table POLx_6: Favorability for Donald Trump ........................................... 308
Table POLx_7: Favorability for Republicans in Congress .............................. 312
Table POLx_8: Favorability for Democrats in Congress ............................... 316
Table POLx_9: Favorability for Melania Trump ......................................... 320
Table POLx_10: Favorability for Ivanka Trump ......................................... 324
Table POLx_11: Favorability for Jared Kushner .......................................... 328
Table POLx_12: Favorability for Kellyanne Conway .................................... 332
Table POLx_13: Favorability for Jeff Sessions ........................................... 336
Table POLx_14: Favorability for Robert Mueller ........................................ 340
Table POLx_15: Favorability for George H. W. Bush ................................. 344
Table POLx_16: Favorability for Alexandria Ocasio-Cortez .......................... 348
