National Tracking Poll \#2005131
May 31 - June 01, 2020
Crosstabulation Results

Methodology:
This poll was conducted between May 31-June 1, 2020 among a national sample of 1990 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table MC2_1: How much have you seen, read, or heard about each of the following? Protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd.

2 Table MC2_2: How much have you seen, read, or heard about each of the following? Protesters looting stores and setting a police station on fire in Minneapolis in response to the death of George Floyd

3 Table MC2_3: How much have you seen, read, or heard about each of the following? Reporters being arrested during protests and demonstrations

4 Table MC4_1: In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The protest in general

5 Table MC4_2: In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? Protesters29

6 Table MC4_3: In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The police

## 7 Table MC5_1: And, in general, would you say that you support or oppose each of the following other protests that have been occurring recently? Protests in Hong Kong <br> 39

8 Table MC5_2: And, in general, would you say that you support or oppose each of the following other protests that have been occurring recently? Protests in the United States to 'Reopen America' 44

9 Table MC6: Which of the following comes closer to your view, even if neither is exactly right?
10 Table MC7: And, which of the following comes closer to your view, even if neither is exactly right?54

11 Table MC8_1: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Religious leaders

12 Table MC8_2: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Business leaders64

13 Table MC8_3: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Mayors69

14 Table MC8_4: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Governors

15 Table MC8_5: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Police

79
16 Table MC8_6: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Members of Congress

17 Table MC8_7: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? President Donald Trump.89

18 Table MC8_8: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? The media

19 Table MC8_9: How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? The general public

20 Table MC9_1: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Religious leaders.

21 Table MC9_2: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Business leaders 109

22 Table MC9_3: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Mayors

23 Table MC9_4: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Governors .

24 Table MC9_5: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Police

25 Table MC9_6: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Members of Congress

26 Table MC9_7: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? President Donald Trump

27 Table MC9_8: How important is it for each of the following to help handle the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? The media .

28 Table MC10_1: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Religious leaders

29 Table MC10_2: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Business leaders

30 Table MC10_3: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Mayors

31 Table MC10_4: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Governors

32 Table MC10_5: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Police

33 Table MC10_6: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Members of Congress

34 Table MC10_7: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? President Donald Trump

35 Table MC10_8: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? Joe Biden

36 Table MC10_9: Now, thinking about the protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd, how would you describe the job each of the following are doing in addressing the situation? The media

37 Table MC11_1: Would you support or oppose cities taking the following measures to address protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Establishing curfews in cities with protests

38 Table MC11_2: Would you support or oppose cities taking the following measures to address protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Calling in the national guard to supplement city police forces

39 Table MC11_3: Would you support or oppose cities taking the following measures to address protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd? Calling in the U.S. military to supplement city police forces

40 Table MC12_1: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? The death of George Floyd, a black Minneapolis man, who died after police officer Derek Chauvin kneeled on his neck for several minutes

41 Table MC12_2: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? High unemployment rates and economic uncertainty resulting from the coronavirus outbreak

42 Table MC12_3: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? The spread of the coronavirus outbreak in the United States more generally

43 Table MC12_4: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? The historical legacy of racism in the United States

44 Table MC12_5: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? Social inequalities across U.S. society . .

45 Table MC12_6: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? Multiple instances of police in the United States killing black citizens

46 Table MC12_7: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? Consequences of lengthy stay-at-home and quarantine orders in many states

47 Table MC12_8: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? President Donald Trump's previous statements on topics concerning race, the press and protesters in the United States

48 Table MC12_9: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities? Racial inequalities across U.S. society . . 228

49 Table MC13: Which of the following comes closer to your view, even if neither is exactly right? 231
50 Table MC14: Do you think the protests and demonstrations in dozens of U.S. cities... . . . . 236
51 Table MC15: Which of the following comes closer to your view, even if neither is exactly right? 241
52 Table MC17_1: Who do you trust more to handle each of the following? The economy . . . 247
53 Table MC17_2: Who do you trust more to handle each of the following? Protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd.

54 Table MC17_3: Who do you trust more to handle each of the following? Containing the spread of coronavirus

55 Table MC17_4: Who do you trust more to handle each of the following? Economic recovery
following the coronavirus . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 259
56 Table MC17_5: Who do you trust more to handle each of the following? Police reform . . . 263
57 Table MC17_6: Who do you trust more to handle each of the following? Addressing social inequalities such as differences in income, access to quality healthcare, access to voting rights or general quality of life267

58 Table MC17_7: Who do you trust more to handle each of the following? Racial inequalities across U.S. society

59 Table MC18_1: Thinking about the current events in the United States, do each of the following make you more likely to vote for Republican candidates or Democratic candidates in the 2020 election? The coronavirus pandemic

60 Table MC18_2: Thinking about the current events in the United States, do each of the following make you more likely to vote for Republican candidates or Democratic candidates in the 2020 election? The economic impacts from the coronavirus pandemic in the United States

61 Table MC18_3: Thinking about the current events in the United States, do each of the following make you more likely to vote for Republican candidates or Democratic candidates in the 2020 election? State government responses to the protests and demonstrations in cities across the United States

62 Table MC18_4: Thinking about the current events in the United States, do each of the following make you more likely to vote for Republican candidates or Democratic candidates in the 2020 election? The federal government response to the protests and demonstrations in cities across the United States

63 Table MC19: Specifically, are you more or less likely to vote for President Trump or Joe Biden as a result of George Floyd's death and subsequent protests?295

64 Table MC21_1: Now, thinking about the current protests in dozens of U.S. cities, how important do you think the following are? Protecting private property such as businesses or retail stores from looting or damage299

65 Table MC21_2: Now, thinking about the current protests in dozens of U.S. cities, how important do you think the following are? Protecting rights of protesters and demonstrators to assemble

66 Table MC22: How have city and state leaders performed on protecting businesses and retail
stores? . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 307
67 Table MC23: How have city and state leaders performed on protecting rights of protesters and
demonstrators to assemble? . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . 311
68 Table MC24_1: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Visit a local small business 315

69 Table MC24_2: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Visit a large business with a store in your local area

70 Table MC24_3: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Donate to local organization or group impacted by the protests and demonstrations

71 Table MC24_4: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Leave your home

72 Table MC24_5: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Return to work in-person

73 Table MC25: If a business or retail store is damaged or destroyed in a protest, who do you think should be responsible for paying for the damages?

74 Table MC26_1: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Make an official statement supporting protesters

75 Table MC26_2: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Do not make an official statement

76 Table MC26_3: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Make an official statement supporting the police354

77 Table MC26_4: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Make an official statement supporting the rights of the protesters while also supporting the police 359

78 Table MC26_5: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Support protesters on social media364

79 Table MC26_6: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Support the police on social media

80 Table MC26_7: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Post additional security in front of all 'at risk' stores or locations374

81 Table MC26_8: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Close 'at risk' stores or locations until the unrest has died down

82 Table MC26_11: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Set up a fund to support small businesses or retailers impacted by the looting .

83 Table MC26_12: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Donate to community cleanup funds following protests

84 Table MC26_13: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Donate to organizations that pay bail for people who have been arrested while protesting

85 Table MC26_14: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Donate to social justice groups or causes

86 Table MC26_15: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Donate to police organizations

87 Table MC26_16: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Ask current employees to participate in racial sensitivity training

88 Table MC26_17: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Proactively reach out to any customers who might be affected by the protests. This might include customers who are in cities with closed stores or locations.

89 Table MC26_18: Now, thinking about the current protests and demonstrations in dozens of U.S. cities, would you have a more or less favorable view of companies that did the following? Shut down all stores or locations for one day to conduct racial sensitivity training

90 Table MC27_1: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual? To be silent is to be complicit. Black lives matter. We have a platform, and we have a duty to our Black members, employees, creators and talent to speak up.

91 Table MC27_2: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual? The very soul of America is at stake. We must commit as a nation to pursue justice with every ounce of our being.

92 Table MC27_3: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual? We need change. As a company, we know we have the opportunity to make things better, which is why over the past several years, we've amplified our efforts when it comes to diversity, inclusion and belonging.

93 Table MC27_4: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual? I am deeply disturbed and shaken by the events of the past week. For months, the pandemic has demanded our collective energy as we work together to keep our families safe and adjust to new ways of working and living. However, as the events of this past week have reminded us, COVID-19 is but one of the many challenges confronting our communities today. As America's grocer, we strive to demonstrate our values of respect, diversity, inclusion, honesty, integrity and safety in our everyday actions. In that spirit, we all have a responsibility to speak out against racism and injustice when and where we see it. But what's more, we have a responsibility to more fully examine ourselves and to engage one another with greater compassion and deeper listening.

94 Table MC27_5: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual? Without the black community, our company would not exist. America would not exist. We are not asking you to buy our shoes. We are asking you to walk in someone else's.'

95 Table MC28_1: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? The company CEO

96 Table MC28_2: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? A company spokesperson

97 Table MC28_3: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? A company employee

98 Table MC28_4: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? A company customer

99 Table MC28_5: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? A company's social media account

100 Table MC28_6: Thinking about messages companies could deliver on the protests and demonstrations, how appropriate is it for each of the following individuals to deliver that message? A company executive

101 Table MC29_1: How important is it for companies or executives to emphasize the following in their response to protests and demonstrations in dozens of U.S. cities? The death of George Floyd

102 Table MC29_2: How important is it for companies or executives to emphasize the following in their response to protests and demonstrations in dozens of U.S. cities? The rights of protesters 485
103 Table MC29_3: How important is it for companies or executives to emphasize the following in their response to protests and demonstrations in dozens of U.S. cities? Specific measures the company has taken to address racial or social inequalities ..... 490

Table MC12_2: On a scale from 1 to 10, with 1 as not important at all and 10 as extremely important, how important do you think the following factors are in influencing the current protests and demonstrations in dozens of U.S. cities?
High unemployment rates and economic uncertainty resulting from the coronavirus outbreak

[^193]Table MC27_3: Here are some specific statements companies or individuals have made about the protests and demonstration in dozens of U.S. cities. Would each give you a more or less favorable view toward that company or individual?
We need change. As a company, we know we have the opportunity to make things better, which is why over the past several years, we've amplified our efforts when it comes to diversity, inclusion and belonging.
