

National Tracking Poll #2005128
May 29 - June 01, 2020

Crosstabulation Results

Methodology:

This poll was conducted between May 29-June 1, 2020 among a national sample of 1989 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
