

National Tracking Poll #2006117
June 23-26, 2020

Crosstabulation Results

Methodology:

This poll was conducted between June 23-June 26, 2020 among a national sample of 1995 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
