

National Tracking Poll #200721
July 07-09, 2020

Crosstabulation Results

Methodology:

This poll was conducted between July 7-July 9, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index
