# ⓂORNING CONSULT 

National Tracking Poll \#2007121
July 31 - August 02, 2020
Crosstabulation Results

Methodology:
This poll was conducted between July 31-August 2, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table CMS1: As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting millions of individuals and killing hundreds of thousands of people globally. The World Health Organization declared this outbreak of the coronavirus is a pandemic, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after.Based on what you know, how concerned are you about the outbreak of coronavirus? .

2 Table CMS2_1: To what extent is the coronavirus a health risk in the following places? China 15
3 Table CMS2_2: To what extent is the coronavirus a health risk in the following places? Asia 19
4 Table CMS2_3: To what extent is the coronavirus a health risk in the following places? Europe 23
5 Table CMS2_4: To what extent is the coronavirus a health risk in the following places? United States27

6 Table CMS2_5: To what extent is the coronavirus a health risk in the following places? Globally 31
7 Table CMS2_6: To what extent is the coronavirus a health risk in the following places? the Middle East35

8 Table CMS2_7: To what extent is the coronavirus a health risk in the following places? South America

9 Table CMS2_8: To what extent is the coronavirus a health risk in the following places? Central America43

10 Table CMS2_9: To what extent is the coronavirus a health risk in the following places? Your state47

11 Table CMS2_10: To what extent is the coronavirus a health risk in the following places? Your community

12 Table CMS3_1: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within the U.S.55

13 Table CMS3_2: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel outside of the U.S.

14 Table CMS3_3: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel in the U.S.63

15 Table CMS3_4: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel outside of the U.S.67

16 Table CMS3_5: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Asia

17 Table CMS3_6: In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Europe

18 Table CMS4_1: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Health care

19 Table CMS4_2: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? American goods83

20 Table CMS4_3: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Chinese made goods87

21 Table CMS4_4: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Internationally made goods

22 Table CMS4_5: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Personal hygiene product, such as hand sanitizer and hand soap

23 Table CMS4_6: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Home cleaning products, such as disinfectants99

24 Table CMS4_7: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medical supplies, such as medical face masks

25 Table CMS4_8: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in China

26 Table CMS4_9: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Food products grown or produced in Asia

27 Table CMS4_10: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Restaurant delivery services

28 Table CMS4_11: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Meal kit delivery services, such as Hello Fresh and Blue Apron

29 Table CMS4_12: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? On-demand food delivery services, such as DoorDash or Grubhub123

30 Table CMS4_13: And do you expect to spend more or less on the following because of the
coronavirus, or is there no change? Grocery delivery service . . . . . . . . . . . . . . . . . . 127
31 Table CMS4_14: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Movie or TV streaming services

32 Table CMS4_15: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Goods from online marketplaces, such as Amazon or Walmart
33 Table CMS4_16: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Music streaming services ..... 139
34 Table CMS4_17: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Video games ..... 143
35 Table CMS4_18: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Canned goods ..... 147
36 Table CMS4_19: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Medicine you are currently prescribed ..... 151
37 Table CMS4_20: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Beauty products, such as face masks and makeup ..... 155
38 Table CMS4_21: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Alcoholic beverages ..... 159
39 Table CMS4_22: And do you expect to spend more or less on the following because of the coronavirus, or is there no change? Electronics ..... 163
40 Table CMS5: If a vaccine that protects from the coronavirus became available, would you get vaccinated, or not? ..... 167
41 Table CMS6_1: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? President Donald Trump ..... 171
42 Table CMS6_2: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Vice President Mike Pence ..... 175
43 Table CMS6_3: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? The Centers for Disease Control and Prevention (CDC). ..... 179
44 Table CMS6_4: Do you approve or disapprove of the job each of the following is doing in handling the spread of coronavirus in the United States? Congress ..... 183

Table CMSdem3_4
Table CMSdem3_4: In general, what kind of fan do you consider yourself of the following?
Sports

| Demographic | An avid fan |  | A casual fan |  | Not a fan |  |
| :--- | ---: | ---: | ---: | ---: | ---: | ---: |
| Adults | $26 \%$ | $(568)$ | $40 \%$ | $(882)$ | $34 \%$ | $(751)$ |
| Frequent Flyer | $33 \%$ | $(67)$ | $45 \%$ | $(91)$ | $22 \%$ | $(45)$ |

Note: Row proportions may total to larger than one-hundred percent due to rounding. For more information visit MorningConsultIntelligence.com.

Table CMSdem4: Which of the following best describes your current behavior?

| Demographic | I am continuing to socialize in public places | I am continuing to socialize in public places, but less than before | I am not going to public places, but I am socializing with friends or family in my or their homes | I am not going to public places or interacting in-person, but <br> I am socializing with friends or family virtually | I am not going to public places nor am I socializing with family or friends | $\begin{aligned} & \text { Don't } \\ & \text { No O } \end{aligned}$ | Know / <br> inion | Total N |
