**Table PS10:** As you may know, the United States Postal Service (USPS) lost \$2.2 billion in the second quarter of 2020 due to the coronavirus pandemic (e.g., declines in first-class and business mail, increased expenses for coronavirus-related worker protections). Do you approve or disapprove of Congress providing emergency financial relief for the USPS to specifically cover lost revenue and increased expenses resulting from the coronavirus pandemic?

**Table PS10:** As you may know, the United States Postal Service (USPS) lost \$2.2 billion in the second quarter of 2020 due to the coronavirus pandemic (e.g., declines in first-class and business mail, increased expenses for coronavirus-related worker protections). Do you approve or disapprove of Congress providing emergency financial relief for the USPS to specifically cover lost revenue and increased expenses resulting from the coronavirus pandemic?
