

National Tracking Poll #2007129
July 29 - August 02, 2020

Crosstabulation Results

Methodology:

This poll was conducted between July 29-August 2, 2020 among a national sample of 2201 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
