

National Tracking Poll #201089
October 14-16, 2020

Crosstabulation Results

Methodology:

This poll was conducted between October 14-October 16, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

- 1 **Table MCSP1_1:** *Before the COVID-19 (coronavirus) pandemic spread to the U.S. and stay-at-home measures were put into place, how often did you attend each of the following types of events? Professional or collegiate sporting events* 5
- 2 **Table MCSP1_2:** *Before the COVID-19 (coronavirus) pandemic spread to the U.S. and stay-at-home measures were put into place, how often did you attend each of the following types of events? Concerts* 9
- 3 **Table MCSP2_1:** *How comfortable would you feel attending each of the following events right now? Indoor sporting event* 13
- 4 **Table MCSP2_2:** *How comfortable would you feel attending each of the following events right now? Outdoor sporting event* 17
- 5 **Table MCSP3_1:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Indoor sporting event or concert filled to 25% capacity with fans* 21
- 6 **Table MCSP3_2:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Indoor sporting event or concert filled to 50% capacity with fans* 25
- 7 **Table MCSP3_3:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Indoor sporting event or concert filled to 75% capacity with fans* 29
- 8 **Table MCSP3_4:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Indoor sporting event or concert filled to 100% capacity with fans* 33
- 9 **Table MCSP3_5:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Outdoor sporting event or concert filled to 25% capacity with fans* 37
- 10 **Table MCSP3_6:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Outdoor sporting event or concert filled to 50% capacity with fans* 41
- 11 **Table MCSP3_7:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Outdoor sporting event or concert filled to 75% capacity with fans* 45
- 12 **Table MCSP3_8:** *And specifically, how comfortable or uncomfortable would you feel attending the following based on what you know about the COVID-19 (coronavirus) pandemic? Outdoor sporting event or concert filled to 100% capacity with fans* 49

13	Table MCSP4_1: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Selling only half of the available seats to allow for social distancing among spectators</i>	53
14	Table MCSP4_2: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Adding hand sanitizer dispensers throughout the stadium or arena</i>	57
15	Table MCSP4_3: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Mandatory temperature screenings of all spectators using infrared thermometer during entry and refusing entry to those with higher-than-normal body temperature</i>	61
16	Table MCSP4_4: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Mandatory temperature screenings of all stadium or arena employees using infrared thermometer upon arrival and refusing entry to those with higher-than-normal body temperature</i>	65
17	Table MCSP4_5: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Requiring all spectators to wear surgical or cloth face masks</i>	69
18	Table MCSP4_6: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? The installation of thermal imaging cameras to identify spectators with a higher-than-normal body temperature out of a crowd and removing them from the stadium or arena</i>	73
19	Table MCSP4_7: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Grab-and-go concession stands with only pre-packaged food</i>	77
20	Table MCSP4_8: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Requiring fans to pre-order concessions via a mobile app and assigning pick-up times to avoid crowding around concession stands</i>	81
21	Table MCSP4_9: <i>To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Pre-assigning spectators a specific time and location for entry to the venue to avoid crowded lines and allow for social distancing during entry</i>	85

22 **Table MCSP4_10:** *To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Displaying signs and other messaging reminding spectators and employees to wash their hands and maintain social distancing* 89

23 **Table MCSP4_11:** *To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Communicating that the venue is being cleaned and sanitized before and after each event in accordance with new CDC protocols . .* 93

24 **Table MCSP4_12:** *To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Installing air filtration systems that regularly replace air inside an arena with outside air* 97

25 **Table MCSP4_13:** *To what extent would the following make you more or less comfortable when attending a sporting event or concert at a stadium or arena after COVID-19 (coronavirus) is under control and live events resume? Developing technology that kills viruses with high-intensity UV lighting and cleans the air before it is pumped back into public spaces . . .* 101

26 **Table MCSP5_1:** *When the COVID-19 (coronavirus) pandemic is under control in the United States and restrictions on gatherings are lifted, do you expect to attend the following types of events more often or less often than before the pandemic? Indoor sporting events and concerts* 105

27 **Table MCSP5_2:** *When the COVID-19 (coronavirus) pandemic is under control in the United States and restrictions on gatherings are lifted, do you expect to attend the following types of events more often or less often than before the pandemic? Outdoor sporting events and concerts* 109

28 **Table MCSPdem1:** *Do you consider yourself an avid sports fan, casual sports fan or not a sports fan at all?* 113

29 **Summary Statistics of Survey Respondent Demographics** 117

Crosstabulation Results by Respondent Demographics
