

National Tracking Poll #201085
October 13-15, 2020

Crosstabulation Results

Methodology:

This poll was conducted between October 13-October 15, 2020 among a national sample of 2201 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table MCSP2: As you may know, players from several NFL teams have tested positive for COVID-19 (coronavirus) over the past two weeks, prompting the league to make numerous changes to its schedule and issue stricter health and safety protocols. Some teams are allowing a limited number of fans to attend games, while others are playing in empty stadiums. Based on what you know about COVID-19 and the NFL, which of the following best describes your opinion, even if none is exactly correct?

Table MCSP4: As you may know, the NBA printed the phrase 'Black Lives Matter' on the court and allowed players to feature social justice-related messages on their jerseys during games over the past several months. NBA Commissioner Adam Silver said this type of messaging would 'largely be left to be delivered off the floor' next season. Based on what you know about the NBA, do you support or oppose the league removing this messaging from the court and jerseys next season?
