

National Tracking Poll #201191
November 18-22, 2020

Crosstabulation Results

Methodology:

This poll was conducted between November 18-November 22, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table MCSP7: As you may know, the NCAA has decided to hold the entire 2021 Division I men's basketball tournament in one city, possibly Indianapolis. This would be a change from previous seasons, where games were played in multiple cities across the country. Based on what you know now, how interested are you in the upcoming college basketball season compared to previous seasons?
