

National Tracking Poll #201191  
November 18-22, 2020

*Crosstabulation Results*

*Methodology:*

This poll was conducted between November 18-November 22, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Table Index

- 1 **Table MCHE1\_1:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? Stay-at-home orders that restrict travel except for essential reasons such as getting groceries or seeking medical attention . . . . .* 5
- 2 **Table MCHE1\_2:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? Closures of businesses deemed non-essential such as hair salons and movie theaters . . . . .* 9
- 3 **Table MCHE1\_3:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? Quarantines of up to 14 days for people showing symptoms of the coronavirus . . . . .* 13
- 4 **Table MCHE1\_4:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? Wearing face masks in public spaces such as grocery stores and parks . . . . .* 17
- 5 **Table MCHE1\_5:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? Social distancing measures that require people to stand 6 feet apart from one another in public and restrict large gatherings in places such as parks, concerts or sporting events . . . . .* 21
- 6 **Table MCHE1\_6:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? The federal government providing financial support to U.S. citizens . . . . .* 25
- 7 **Table MCHE1\_7:** *In the event of a rise in cases of COVID-19 (coronavirus) in the United States, would you support or oppose the following measures on a national scale? The federal government providing financial support to small businesses . . . . .* 29
- 8 **Table MCHE2\_1:** *In the event of a rise in cases of COVID-19 (coronavirus) in your state in the next month, would you support or oppose the following measures in your state? Stay-at-home orders that restrict travel except for essential reasons such as getting groceries or seeking medical attention . . . . .* 33
- 9 **Table MCHE2\_2:** *In the event of a rise in cases of COVID-19 (coronavirus) in your state in the next month, would you support or oppose the following measures in your state? Closures of businesses deemed non-essential such as hair salons and movie theaters . . . . .* 37
- 10 **Table MCHE2\_3:** *In the event of a rise in cases of COVID-19 (coronavirus) in your state in the next month, would you support or oppose the following measures in your state? Quarantines of up to 14 days for people showing symptoms of the coronavirus . . . . .* 41
