

National Tracking Poll #201262
December 10-13, 2020

Crosstabulation Results

Methodology:

This poll was conducted between December 10-December 13, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCTE1_1: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Communicating with friends and family	9
2	Table MCTE1_2: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Shopping for holiday gifts . . .	13
3	Table MCTE1_3: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Planning and/or finding events to attend in your neighborhood	17
4	Table MCTE1_4: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Navigating using GPS or mapping applications	21
5	Table MCTE1_5: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Career networking and job hunting	25
6	Table MCTE1_6: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Keeping up with current events and entertainment news	29
7	Table MCTE1_7: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Watching TV shows and movies	33
8	Table MCTE1_8: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Ordering food for delivery . . .	37
9	Table MCTE1_9: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Checking the weather	41
10	Table MCTE1_10: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Listening to music or podcasts	45
11	Table MCTE1_11: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Working remotely	49

12	Table MCTE1_12: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Attending virtual worship services	53
13	Table MCTE1_13: Since February 2020, when the COVID-19 pandemic (coronavirus) spread to the United States, how often have you used online services, such as social media, mobile apps and e-commerce sites, to do each of the following tasks? Playing online games with groups of friends or family	57
14	Table MCTE2_1: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Communicating with friends and family	61
15	Table MCTE2_2: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Shopping for holiday gifts	65
16	Table MCTE2_3: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Planning and/or finding events to attend in your neighborhood	69
17	Table MCTE2_4: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Navigating using GPS or mapping applications	73
18	Table MCTE2_5: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Career networking and job hunting	77
19	Table MCTE2_6: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Keeping up with current events and entertainment news	81
20	Table MCTE2_7: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Watching TV shows and movies	85
21	Table MCTE2_8: Considering the COVID-19 pandemic (coronavirus), will you use online services more or less to do each of the following in 2021 compared to 2020, or will there be no change? Ordering food for delivery	89
