

National Tracking Poll #210104
January 04-05, 2021

Crosstabulation Results

Methodology:

This poll was conducted between January 4-January 5, 2021 among a national sample of 1893 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
