National Tracking Poll #210135
January 08-11, 2021

Crosstabulation Results

Methodology:
This poll was conducted between January 8-January 11, 2021 among a national sample of 1996 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
Table Index

1. **Table P1**: Now, generally speaking, would you say that things in the country are going in the right direction, or have they pretty seriously gotten off on the wrong track? ................................. 9

2. **Table Q172**: Do you approve or disapprove of the job Donald Trump is doing as President? .................................................. 13

3. **Table P3**: Now, thinking about your vote, what would you say is the top set of issues on your mind when you cast your vote for federal offices such as U.S. Senate or Congress? .............................. 16

4. **Table MCWA1_1**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing a healthcare reform bill ................................. 21

5. **Table MCWA1_2**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Adding a new public option health care plan to the Affordable Care Act ................................. 24

6. **Table MCWA1_3**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing a bill to address climate change ................................. 27

7. **Table MCWA1_4**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Rejoining the Paris climate accord ................................. 30

8. **Table MCWA1_5**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing a bill to reduce economic inequality .................. 33

9. **Table MCWA1_6**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing an infrastructure spending bill .................. 36

10. **Table MCWA1_7**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Reducing the federal budget deficit .................. 39

11. **Table MCWA1_8**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing legislation placing additional restrictions on gun ownership ................................. 42

12. **Table MCWA1_9**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Regulating tech companies ................................. 45

13. **Table MCWA1_10**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Controlling the spread of the coronavirus in the U.S. ................................. 48

14. **Table MCWA1_11**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Stimulating the economy to recover from the coronavirus pandemic ................................. 51

15. **Table MCWA1_12**: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing a new coronavirus aid package ................................. 54
Table MCWA1_13: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Installing an effective distribution plan for a COVID-19 vaccine ................................................................. 57

Table MCWA1_14: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Rejoining the World Health Organization ........................................... 60

Table MCWA1_15: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Canceling at least $10,000 in student loan debt for all Americans ................................................................. 63

Table MCWA1_16: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Canceling tuition at public colleges/universities for families making $125,000 or less ................................................................. 66

Table MCWA1_17: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Raising corporate income taxes ................................................................. 69

Table MCWA1_18: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing laws to strengthen the Voting Rights Act, which prohibits discriminatory voting practices ................................................................. 72

Table MCWA1_19: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Passing legislation that would create a pathway to citizenship for migrants living in the U.S. illegally ................................................................. 75

Table MCWA1_20: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Ending the Trump administration's immigration policies at the U.S.-Mexico border ................................................................. 78

Table MCWA1_21: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Removing restrictions that ban people from some Muslim-majority countries from the U.S. ................................................................. 81

Table MCWA1_22: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Removing funding towards construction of the wall along the U.S.-Mexico border ................................................................. 84

Table MCWA1_23: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Creating a national police oversight commission ................................................................. 87

Table MCWA1_24: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Amending relationships with U.S. allies ................................................................. 90

Table MCWA1_25: How much of a priority, if at all, should each of the following be for the Biden administration in its first 100 days? Overturning the Mexico City Policy (also known as the global gag rule) which prohibits government-funded foreign aid groups from discussing abortion ................................................................. 93

Table MCWA2: Which of the following comes closest to your view even if neither is exactly right? ................................................................. 96
| Table MCWA3_1: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Rejoining the Paris Climate Accord in which countries agreed to reduce greenhouse gas emissions to keep global warming to below 2 degrees Celsius. |
|------------------|---------------------------------|
| Table MCWA3_2: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Increasing fuel economy (miles per gallon) standards for new vehicles to speed the adoption of zero emission vehicles. |
| Table MCWA3_3: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Blocking federal permits for proposed energy and mining projects that would threaten vulnerable habitats. |
| Table MCWA3_4: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Limiting the development of new fossil fuel infrastructure on public lands. |
| Table MCWA3_5: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Placing methane emission limits on oil and gas operations. |
| Table MCWA3_6: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Implementing a timeline for the U.S. to reach net-zero carbon emissions. |
| Table MCWA3_7: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Requiring that public companies disclose climate risks and the greenhouse gas emissions from their operations and supply chains. |
| Table MCWA3_8: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Establishing a new, cross-agency Advanced Research Projects Agency (ARPA-C), focused on climate. |
| Table MCWA3_9: Below are some actions a Biden administration could take on the environment. Do you support or oppose a Biden administration taking each of the following actions? Making major public investments in automobile infrastructure, including 500,000 electric vehicle charging stations. |
| Table MCWA4_1: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions? Rejoining the World Health Organization. |
| Table MCWA4_2: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions? Restoring the relationship with NATO (North Atlantic Treaty Organization). |
Table MCWA4_3: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Restoring funding to the United Nations ............................................ 144

Table MCWA4_4: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Keeping U.S. troops in Afghanistan for regional stability ......................... 148

Table MCWA4_5: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Extending a nuclear arms reduction treaty with Russia ........................... 152

Table MCWA4_6: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Beginning negotiations aimed at reentering the Iran nuclear deal ............. 156

Table MCWA4_7: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Ending U.S. arms deals with Saudi Arabia ........................................... 160

Table MCWA4_8: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Ending the U.S.-China trade war ....................................................... 164

Table MCWA4_9: Below are some actions a Biden administration could take on foreign policy. Do you support or oppose a Biden administration taking each of the following actions?
Rejoining the Trans-Pacific Partnership (TPP) ...................................... 168

Table MCWA5_1: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions?
Granting more visas to students and high-skilled workers ......................... 172

Table MCWA5_2: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions?
Restoring full protection for DACA recipients, people who came to the United States illegally when they were children, often with their parents ............................. 176

Table MCWA5_3: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions?
Ending the de facto ban on immigrants from majority-Muslim nations ....... 180

Table MCWA5_4: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions?
Prioritizing the reunification of families separated under the 'zero-tolerance' policy .......................... 184

Table MCWA5_5: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions?
Ending workplace immigration enforcement raids ................................ 188
| Table MCWA5_6: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions? Ending the public charge rule, which makes an individual's ability to receive a visa or gain permanent residency contingent on their income and use of government services | 192 |
| Table MCWA5_7: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions? Increasing the number of refugees the U.S. admits | 196 |
| Table MCWA5_8: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions? Ending the construction of the U.S.-Mexico border wall | 200 |
| Table MCWA5_9: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions? Granting more visas to survivors of domestic violence | 204 |
| Table MCWA5_10: Below are some actions a Biden administration could take on immigration. Do you support or oppose a Biden administration taking each of the following actions? Ending for-profit detention centers for migrants seeking asylum | 208 |
| Table MCWA6_1: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Enacting a nationwide mask mandate | 212 |
| Table MCWA6_2: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Expanding federal COVID-19 testing | 216 |
| Table MCWA6_3: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Expanding federal support for COVID-19 vaccination roll-out | 220 |
| Table MCWA6_4: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Extending the open enrollment period to allow people to buy health insurance outside of the typical sign-up window during the coronavirus (COVID-19) pandemic | 224 |
| Table MCWA6_5: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Restoring funds to market the Affordable Care Act's coverage options | 228 |
| Table MCWA6_6: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Creating a review board that uses international reference pricing to compare the cost of prescription drugs internationally to determine the recommended price of the drug in the US | 232 |
Table MCW6_7: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Allowing U.S. consumers to import prescription drugs from other countries ................................. 236

Table MCW6_8: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Reinstating Title X family planning funding for health care providers who perform or refer for abortions ................................. 240

Table MCW6_9: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Tightening restrictions on short-term health insurance options that do not provide the same level of benefits as plans that are compliant with the Affordable Care Act ................................. 244

Table MCW6_10: Below are some actions a Biden administration could take on healthcare and the coronavirus (COVID-19) pandemic. Do you support or oppose a Biden administration taking each of the following actions? Improving access to remote telehealth services .... 248

Table MCW7_1: Below are some actions a Biden administration could take on LGBTQ+ rights. Do you support or oppose a Biden administration taking each of the following actions? Allowing transgender people to openly serve in the military ................................. 252

Table MCW7_2: Below are some actions a Biden administration could take on LGBTQ+ rights. Do you support or oppose a Biden administration taking each of the following actions? Reinstating Department of Education guidance that instructs public schools to allow transgender students to use the bathroom that corresponds with their gender identity .... 256

Table MCW7_3: Below are some actions a Biden administration could take on LGBTQ+ rights. Do you support or oppose a Biden administration taking each of the following actions? Prohibiting discrimination based on sexual orientation and gender identity in the federal government and by federal contractors ................................. 260

Table MCW7_4: Below are some actions a Biden administration could take on LGBTQ+ rights. Do you support or oppose a Biden administration taking each of the following actions? Issuing an executive order that bans the use of youth conversion therapy on LGBTQ+ youth ................................. 264

Table MCW8_1: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Establishing a presidential task force to work on addressing racial inequality in the criminal justice system ................................. 268

Table MCW8_2: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Ending the agreements that allow the federal government to give military-grade equipment to local police departments ................................. 272
Table MCWA8_3: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Incentivizing states to reduce their incarceration rates.

Table MCWA8_4: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Establishing a Department of Justice task force to coordinate the investigation and prosecution of law enforcement misconduct in federal, state and local governments.

Table MCWA8_5: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Ordering the Justice Department to prioritize prosecuting hate crimes.

Table MCWA8_6: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Requiring police officers to report all uses of force to a national database shared with police departments across the country.

Table MCWA8_7: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Severing ties between the federal government and private, for-profit prisons.

Table MCWA8_8: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Pardoning people currently incarcerated for violation of federal marijuana laws.

Table MCWA8_9: Below are some actions a Biden administration could take on criminal justice. Do you support or oppose a Biden administration taking each of the following actions? Restoring the allowance of diversity training in the federal government, as well as among its contractors, subcontractors and grantees.
