

National Tracking Poll #210561
May 12-15, 2021

Crosstabulation Results

Methodology:

This poll was conducted between May 12-May 15, 2021 among a sample of 690 Adults who watch SNL at least once a month. The interviews were conducted online and the data were weighted to approximate a target sample of Adults who watch SNL at least once a month based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 4 percentage points.
