

National Tracking Poll #210519  
May 10-11, 2021

*Crosstabulation Results*

*Methodology:*

This poll was conducted between May 10-May 11, 2021 among a sample of 1000 Spanish Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Spanish Adults based on age, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 3 percentage points.
