Morning Consult  
National Tracking Poll #170514  
May 23-25, 2017

Crosstabulation Results

Methodology:
This poll was conducted from May 23-25, 2017, among a national sample of 4003 registered voters. The interviews were conducted online and the data were weighted to approximate a target sample of registered voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
