**Table POL10:** As you may know, the CDC recommends that unvaccinated individuals wear a mask in public indoor spaces. The CDC has also updated its mask guidance for fully vaccinated people, recommending that fully vaccinated people who live in locations with 'substantial' or 'high' COVID-19 transmission wear a mask indoors. Moving forward, how frequently do you plan to wear a mask in public indoor spaces?

**Table POL10:** As you may know, the CDC recommends that unvaccinated individuals wear a mask in public indoor spaces. The CDC has also updated its mask guidance for fully vaccinated people, recommending that fully vaccinated people who live in locations with 'substantial' or 'high' COVID-19 transmission wear a mask indoors. Moving forward, how frequently do you plan to wear a mask in public indoor spaces?
