# MMORNING CONSULT 

National Tracking Poll \#2108122
August 21-25, 2021
Crosstabulation Results

Methodology:
This poll was conducted between August 21-August 25, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table MCSP1_1: To what extent are you concerned about the following? COVID-19 (coron- avirus) ..... 9
2 Table MCSP1_2: To what extent are you concerned about the following? The coronavirus delta variant ..... 13
3 Table MCSP1_3: To what extent are you concerned about the following? Coronavirus vari- ants in general ..... 17
4 Table MCSP2: To what extent do you support or oppose your local government requiring COVID-19 vaccinations for all Americans over the age of 12, except those with medical ex- emptions? ..... 21
5 Table MCSP3: Which of the following should have more responsibility when it comes to de- termining vaccine and face mask policies for settings such as live sporting events, concerts and movie theaters? ..... 25
6 Table MCSP4_1: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Travel on a plane domestically ..... 29
7 Table MCSP4_2: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Travel on a plane internationally ..... 33
8 Table MCSP4_3: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Go to school in-person or send your children to school in-person ..... 37
9 Table MCSP4_4: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Shop in-person ..... 41
10 Table MCSP4_5: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Dine indoors at a restaurant ..... 45
11 Table MCSP4_6: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Attend an indoor concert ..... 49
12 Table MCSP4_7: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Attend an outdoor concert ..... 53
13 Table MCSP4_8: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Attend an indoor sporting event ..... 57
14 Table MCSP4_9: Prior to the COVID-19 pandemic, how often did you do each of the follow- ing activities? Attend an outdoor sporting event ..... 61
15 Table MCSP4_10: Prior to the COVID-19 pandemic, how often did you do each of the fol- lowing activities? Attend a religious gathering or meeting ..... 65
16 Table MCSP4_11: Prior to the COVID-19 pandemic, how often did you do each of the fol- lowing activities? Go to a movie in a movie theater ..... 69
17 Table MCSP4_12: Prior to the COVID-19 pandemic, how often did you do each of the fol- lowing activities? Go to a play or show in a theater ..... 73
18 Table MCSP5_1: Since pandemic restrictions have been lifted, have you done each of the following activities? Travel on a plane domestically ..... 77
19 Table MCSP5_2: Since pandemic restrictions have been lifted, have you done each of the following activities? Travel on a plane internationally ..... 81
20 Table MCSP5_3: Since pandemic restrictions have been lifted, have you done each of the following activities? Go to school in-person or send your children to school in-person ..... 85
21 Table MCSP5_4: Since pandemic restrictions have been lifted, have you done each of the following activities? Shop in-person ..... 89
22 Table MCSP5_5: Since pandemic restrictions have been lifted, have you done each of the following activities? Dine indoors at a restaurant ..... 93
23 Table MCSP5_6: Since pandemic restrictions have been lifted, have you done each of the following activities? Attend an indoor concert ..... 97
24 Table MCSP5_7: Since pandemic restrictions have been lifted, have you done each of the following activities? Attend an outdoor concert ..... 101
25 Table MCSP5_8: Since pandemic restrictions have been lifted, have you done each of the following activities? Attend an indoor sporting event ..... 105
26 Table MCSP5_9: Since pandemic restrictions have been lifted, have you done each of the following activities? Attend an outdoor sporting event ..... 109
27 Table MCSP5_10: Since pandemic restrictions have been lifted, have you done each of the following activities? Attend a religious gathering or meeting ..... 113
28 Table MCSP5_11: Since pandemic restrictions have been lifted, have you done each of the following activities? Go to a movie in a movie theater ..... 117
29 Table MCSP5_12: Since pandemic restrictions have been lifted, have you done each of the following activities? Go to a play or show in a theater ..... 121
30 Table MCSP6_1: Should face masks be required in each of the following settings? Traveling on a plane domestically ..... 125
31 Table MCSP6_2: Should face masks be required in each of the following settings? Traveling on a plane internationally ..... 129
32 Table MCSP6_3: Should face masks be required in each of the following settings? Going to school in-person or sending your children to school in-person ..... 133
33 Table MCSP6_4: Should face masks be required in each of the following settings? Shopping in-person ..... 137
34 Table MCSP6_5: Should face masks be required in each of the following settings? Dining indoors at a restaurant ..... 141
35 Table MCSP6_6: Should face masks be required in each of the following settings? Attending an indoor concert ..... 145
36 Table MCSP6_7: Should face masks be required in each of the following settings? Attending an outdoor concert ..... 149
37 Table MCSP6_8: Should face masks be required in each of the following settings? Attending an indoor sporting event ..... 153
38 Table MCSP6_9: Should face masks be required in each of the following settings? Attending an outdoor sporting event ..... 157
39 Table MCSP6_10: Should face masks be required in each of the following settings? Attending a religious gathering or meeting ..... 161
40 Table MCSP6_11: Should face masks be required in each of the following settings? Going to a movie in a movie theater ..... 165
41 Table MCSP6_12: Should face masks be required in each of the following settings? Going to a play or show in a theater ..... 169
42 Table MCSP7_1: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Travel on a plane domestically ..... 173
43 Table MCSP7_2: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Travel on a plane internationally ..... 177
44 Table MCSP7_3: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Go to school in-person or send your children to school in-person ..... 181
45 Table MCSP7_4: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Shop in-person ..... 185
46 Table MCSP7_5: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Dine indoors at a restaurant ..... 189
47 Table MCSP7_6: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Attend an indoor concert ..... 193
48 Table MCSP7_7: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Attend an outdoor concert ..... 197
49 Table MCSP7_8: And do you support or oppose requiring individuals to present proof of vac- cination against COVID-19 or a negative COVID-19 test in order to do each of the following? Attend an indoor sporting event ..... 201

50 Table MCSP7_9: And do you support or oppose requiring individuals to present proof of vaccination against COVID-19 or a negative COVID-19 test in order to do each of the following? Attend an outdoor sporting event.

51 Table MCSP7_10: And do you support or oppose requiring individuals to present proof of vaccination against COVID-19 or a negative COVID-19 test in order to do each of the following? Attend a religious gathering or meeting209

52 Table MCSP7_11: And do you support or oppose requiring individuals to present proof of vaccination against COVID-19 or a negative COVID-19 test in order to do each of the following? Go to a movie in a movie theater

53 Table MCSP7_12: And do you support or oppose requiring individuals to present proof of vaccination against COVID-19 or a negative COVID-19 test in order to do each of the following? Go to a play or show in a theater

54 Table MCSP8_1: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Travel on a plane domestically

55 Table MCSP8_2: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Travel on a plane internationally

56 Table MCSP8_3: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Go to school in-person or send your children to school in-person229

57 Table MCSP8_4: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Shop in-person 233

58 Table MCSP8_5: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Dine indoors at a restaurant

59 Table MCSP8_6: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Attend an indoor concert

60 Table MCSP8_7: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Attend an outdoor concert

61 Table MCSP8_8: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Attend an indoor sporting event

62 Table MCSP8_9: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Attend an outdoor sporting event

63 Table MCSP8_10: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Attend a religious gathering or meeting

64 Table MCSP8_11: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Go to a movie in a movie theater

65 Table MCSP8_12: Do you support or oppose allowing unvaccinated individuals to do the following if they have presented proof of a negative COVID-19 test within 72 hours? Go to a play or show in a theater

66 Table MCSP9_1: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Travel on a plane domestically

67 Table MCSP9_2: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Travel on a plane internationally

68 Table MCSP9_3: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Go to school in-person or send your children to school in-person

69 Table MCSP9_4: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Shop in-person

70 Table MCSP9_5: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Dine indoors at a restaurant

71 Table MCSP9_6: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Attend an indoor concert

72 Table MCSP9_7: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Attend an outdoor concert

73 Table MCSP9_8: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Attend an indoor sporting event

74 Table MCSP9_9: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Attend an outdoor sporting event

75 Table MCSP9_10: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Attend a religious gathering or meeting

76 Table MCSP9_11: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Go to a movie in a movie theater

77 Table MCSP9_12: And consider if the following allowed individuals to present proof of a negative COVID-19 test within 72 hours as an alternative to proof of vaccination. Should individuals presenting a negative COVID-19 test instead of proof of vaccination be required to wear a face mask in the following settings? Go to a play or show in a theater

78 Table MCSP10_1: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Travel on a plane domestically

79 Table MCSP10_2: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Travel on a plane internationally

80 Table MCSP10_3: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Go to school in-person or send your children to school in-person

81 Table MCSP10_4: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Shop in-person329

82 Table MCSP10_5: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Dine indoors at a restaurant

83 Table MCSP10_6: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Attend an indoor concert

84 Table MCSP10_7: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Attend an outdoor concert

85 Table MCSP10_8: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Attend an indoor sporting event

86 Table MCSP10_9: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Attend an outdoor sporting event
87 Table MCSP10_10: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Attend a religious gathering or meeting ..... 353
88 Table MCSP10_11: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Go to a movie in a movie theater ..... 357
89 Table MCSP10_12: If you were required to be vaccinated for COVID-19 to do the following, would you get vaccinated? Go to a play or show in a theater ..... 361
90 Table MCSPdem1: Have you gotten a COVID-19 vaccine, or not? ..... 365
91 Table MCSPdem2_1: In general, what kind offan do you consider yourself of the following? Film ..... 369
92 Table MCSPdem2_2: In general, what kind offan do you consider yourself of the following? Television ..... 373
93 Table MCSPdem2_3: In general, what kind offan do you consider yourself of the following? Music ..... 377
94 Table MCSPdem2_4: In general, what kind of fan do you consider yourself of the following? Sports ..... 381
95 Table MCSPdem2_5: In general, what kind of fan do you consider yourself of the following? NFL ..... 385
96 Table MCSPdem2_6: In general, what kind offan do you consider yourself of the following? MLB ..... 389
97 Table MCSPdem2_7: In general, what kind offan do you consider yourself of the following? NBA ..... 393
98 Table MCSPdem2_8: In general, what kind offan do you consider yourself of the following? NHL ..... 397
99 Table MCSPdem2_9: In general, what kind of fan do you consider yourself of the following? MLS ..... 401
100 Table MCSPdem2_10: In general, what kind offan do you consider yourself of the following? College football ..... 405
101 Table MCSPdem2_11: In general, what kind offan do you consider yourself of the following? College basketball ..... 409
102 Table MCSPdem2_12: In general, what kind offan do you consider yourself of the following? Esports ..... 413
103 Summary Statistics of Survey Respondent Demographics ..... 417

## Crosstabulation Results by Respondent Demographics

Table MCSP1_1: To what extent are you concerned about the following?
COVID-19 (coronavirus)

| Demographic | Very concerned |  | Somewhat concerned |  | Not very concerned |  | Not at all concerned |  | Don't know / <br> No opinion |  | Total N |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Adults | 44\% | (964) | $31 \%$ | (691) | 12\% | (257) | 9\% | (207) | 4\% | (80) | 2200 |
| Gender: Male | 43\% | (459) | 30\% | (318) | 13\% | (137) | 12\% | (125) | 2\% | (23) | 1062 |
| Gender: Female | 44\% | (505) | $33 \%$ | (373) | $11 \%$ | (120) | 7\% | (83) | 5\% | (57) | 1138 |
