

National Tracking Poll #2108181
August 17 - September 02, 2021

Crosstabulation Results

Methodology:

This poll was conducted between August 17-September 2, 2021 among a sample of 7988 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 1 percentage points.
