

National Tracking Poll #2109124
September 17-21, 2021

Crosstabulation Results

Methodology:

This poll was conducted between September 17-September 21, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

- 1 **Table GR1_1:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Home appliances* 7
- 2 **Table GR1_2:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Electronics, computers, or cell phones* 11
- 3 **Table GR1_3:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Furniture* 15
- 4 **Table GR1_4:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Clothing/Apparel* 19
- 5 **Table GR1_5:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Specific types of groceries and food such as coffee, meat, or pre-packaged goods* 23
- 6 **Table GR1_6:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Supplies for home repairs, improvements, or renovations* 27
- 7 **Table GR1_7:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Exercise & sports equipment* 31
- 8 **Table GR1_8:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? Paper goods, such as paper towels or toilet paper* 35
- 9 **Table GR1_9:** *At the beginning of the coronavirus (COVID-19) pandemic, some stores ran low on some items. Some stores report occasional shortages of items in some parts of the country to this day. In the past month, have you had trouble finding any of the following items? A new car, pickup, van, or sport utility vehicle* 39
