

National Tracking Poll #2112020
December 03-07, 2021

Crosstabulation Results

Methodology:

This poll was conducted between December 3-December 7, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCTE1_1: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? Twitter</i>	7
2	Table MCTE1_2: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? Facebook</i>	11
3	Table MCTE1_3: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? Snapchat</i>	15
4	Table MCTE1_4: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? Instagram</i>	19
5	Table MCTE1_5: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? TikTok</i>	23
6	Table MCTE1_6: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? Reddit</i>	27
7	Table MCTE1_7: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? YouTube</i>	31
8	Table MCTE1_8: <i>To what extent do you have a favorable or unfavorable view of the following social media platforms? WhatsApp</i>	35
9	Table MCTE2: <i>Which of the following comes closest to your opinion, even if neither is exactly right?</i>	39
10	Table MCTE3: <i>Do you support or oppose government regulation of social media companies?</i>	43
11	Table MCTE4_1NET: <i>Who should be held responsible for harmful content posted on social media platforms, if anyone? Please select all that apply. The user(s) who posted the content</i> .	46
12	Table MCTE4_2NET: <i>Who should be held responsible for harmful content posted on social media platforms, if anyone? Please select all that apply. The user(s) who shared the content</i> .	49
13	Table MCTE4_3NET: <i>Who should be held responsible for harmful content posted on social media platforms, if anyone? Please select all that apply. The social media company who owns the platform</i>	52
14	Table MCTE4_4NET: <i>Who should be held responsible for harmful content posted on social media platforms, if anyone? Please select all that apply. No one should be held responsible</i> . .	55
15	Table MCTE4_5NET: <i>Who should be held responsible for harmful content posted on social media platforms, if anyone? Please select all that apply. Don't know / No opinion</i>	58
16	Table MCTE5_1: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? All content</i>	61

17	Table MCTE5_2: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Harassment and bullying</i>	65
18	Table MCTE5_3: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Violence or inciting violence</i>	69
19	Table MCTE5_4: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Content classified as misinformation by the social media company</i>	73
20	Table MCTE5_5: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Content that is politically divisive</i>	77
21	Table MCTE5_6: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Content that violates copyrights and trademarks</i>	81
22	Table MCTE5_7: <i>In your opinion, should people be able to sue social media companies for the following types of content that other users post on these companies' platforms? Non-violent, extremist opinions</i>	85
23	Table MCTE6_1: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? All content</i>	89
24	Table MCTE6_2: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Harassment and bullying</i>	93
25	Table MCTE6_3: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Violence or inciting violence</i>	97
26	Table MCTE6_4: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Content classified as misinformation by the social media company</i>	101
27	Table MCTE6_5: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Content that is politically divisive</i>	105
28	Table MCTE6_6: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Content that violates copyrights and trademarks</i>	109
29	Table MCTE6_7: <i>If social media companies were held liable for content that users posted on their sites, do you think the following types of content would increase, decrease, or stay the same? Non-violent, extremist opinions</i>	113

30 **Table MCTE7_1NET:** *Who should be held responsible for crafting and implementing policies about how content is shared on social media platforms? Please select all that apply. The president and his administration* 117

31 **Table MCTE7_2NET:** *Who should be held responsible for crafting and implementing policies about how content is shared on social media platforms? Please select all that apply. Lawmakers in Congress* 121

32 **Table MCTE7_3NET:** *Who should be held responsible for crafting and implementing policies about how content is shared on social media platforms? Please select all that apply. The companies that host the content* 125

33 **Table MCTE7_4NET:** *Who should be held responsible for crafting and implementing policies about how content is shared on social media platforms? Please select all that apply. Users on the platform who post and share such content* 129

34 **Table MCTE7_5NET:** *Who should be held responsible for crafting and implementing policies about how content is shared on social media platforms? Please select all that apply. No one, this is not a problem.* 133

35 **Table MCTE8:** *Which of the following comes closest to your opinion, even if neither is exactly right?* 137

36 **Table MCTE9:** *In your opinion, do social media companies have too much regulation, the right amount of regulation, or not enough regulation?* 141

37 **Table MCTE10_1:** *The following are some actions Congress can take to address public issues with social media companies. Please indicate to what extent you support or oppose each action. Create an independent government body staffed by former tech workers to investigate Meta’s (Facebook’s parent company) use of algorithms and the risk they pose to the public* 144

38 **Table MCTE10_2:** *The following are some actions Congress can take to address public issues with social media companies. Please indicate to what extent you support or oppose each action. Require Meta (Facebook’s parent company) to publicly disclose its internal research* 148

39 **Table MCTE10_3:** *The following are some actions Congress can take to address public issues with social media companies. Please indicate to what extent you support or oppose each action. Require algorithm transparency and social media companies to disclose how algorithms are designed to suggest content to users* 152

40 **Table MCTE10_4:** *The following are some actions Congress can take to address public issues with social media companies. Please indicate to what extent you support or oppose each action. Allow social media companies to be held at least somewhat liable in courts and lawsuits for the actions of their users* 156

41 **Table MCTE10_5:** *The following are some actions Congress can take to address public issues with social media companies. Please indicate to what extent you support or oppose each action. Implement stronger protections for children on social media platforms* 160

42	Table MCTE11_1: <i>The following are some actions social media companies can take to address public issues. Please indicate to what extent you support or oppose each action. Increase the age of eligibility to have an account on various social media platforms</i>	164
43	Table MCTE11_2: <i>The following are some actions social media companies can take to address public issues. Please indicate to what extent you support or oppose each action. Change social media content to be chronological rather than individually tailored based on algorithms and users' personal information</i>	168
44	Table MCTE11_3: <i>The following are some actions social media companies can take to address public issues. Please indicate to what extent you support or oppose each action. Expand their capacity to censor and remove content that promotes misinformation, hate speech, illicit activity, or acts of violence</i>	172
45	Table MCTE11_4: <i>The following are some actions social media companies can take to address public issues. Please indicate to what extent you support or oppose each action. Implement stricter policies and standards to prohibit content that promotes misinformation, hate speech, illicit activity, or acts of violence</i>	176
46	Table MCTE12_1: <i>For each of the following, please say if it is a major consideration, minor consideration, or not a consideration at all when thinking about future government regulation of social media companies. Children's use of social media</i>	180
47	Table MCTE12_2: <i>For each of the following, please say if it is a major consideration, minor consideration, or not a consideration at all when thinking about future government regulation of social media companies. Teens' use of social media</i>	184
