

National Tracking Poll #2112017
December 02-06, 2021

Crosstabulation Results

Methodology:

This poll was conducted between December 2-December 6, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCHE1_1: <i>How easy or difficult do you think it is to access the following health care services near where you live? Abortion care services</i>	6
2	Table MCHE1_2: <i>How easy or difficult do you think it is to access the following health care services near where you live? Reproductive health care services</i>	10
3	Table MCHE1_3: <i>How easy or difficult do you think it is to access the following health care services near where you live? Primary health care services</i>	14
4	Table MCHE1_4: <i>How easy or difficult do you think it is to access the following health care services near where you live? Emergency health care services</i>	18
5	Table MCHE1_5: <i>How easy or difficult do you think it is to access the following health care services near where you live? Long-term health care services</i>	22
6	Table MCHE1_6: <i>How easy or difficult do you think it is to access the following health care services near where you live? Mental health care services</i>	26
7	Table MCHE2_1: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Abortion care services</i>	30
8	Table MCHE2_2: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Reproductive health care services</i>	34
9	Table MCHE2_3: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Primary health care services</i>	38
10	Table MCHE2_4: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Emergency health care services</i>	42
11	Table MCHE2_5: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Long-term health care services</i>	46
12	Table MCHE2_6: <i>Do you think it is easier or harder to obtain the following health care services near where you live today compared to five years ago? Mental health care services</i>	50
13	Table MCHE3: <i>Do you currently have a provider for reproductive health care services, family planning services, or birth control?</i>	54
14	Table MCHE4: <i>Where do you currently access reproductive health care services, family planning services, or birth control?</i>	58
15	Table MCHE5: <i>Thinking about your own experience accessing abortion or reproductive health care services, how easy or difficult was it for you to get the care you needed?</i>	61
16	Table MCHE6_1NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Costs</i>	64

17	Table MCHE6_2NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Limited access to care where I live</i>	65
18	Table MCHE6_3NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Lack of insurance</i>	66
19	Table MCHE6_4NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Lack of information on how to access care</i>	67
20	Table MCHE6_5NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Restrictions on abortion services in my state, like waiting periods or limits on medication abortion</i>	68
21	Table MCHE6_6NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Religious or cultural reasons</i>	69
22	Table MCHE6_7NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Fear of health complications</i>	70
23	Table MCHE6_8NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Lack of time off from work or other responsibilities</i>	71
24	Table MCHE6_9NET: <i>And why was it difficult for you to access reproductive health care services, family planning services, or birth control? Please select all that apply. Other, please specify</i>	72
25	Table MCHE7: <i>Which of the following statements is closest to your opinion, even if neither is exactly right?</i>	73
26	Table MCHE8: <i>Which of the following statements is closest to your opinion, even if neither is exactly right?</i>	77
27	Table MCHE9_1: <i>Do you support or oppose each of the following health care policies? Banning abortions six-weeks into pregnancy</i>	81
28	Table MCHE9_2: <i>Do you support or oppose each of the following health care policies? Banning abortions 15 weeks into pregnancy</i>	85
29	Table MCHE9_3: <i>Do you support or oppose each of the following health care policies? Banning abortions after fetal viability, generally considered to be between 23 to 24 weeks of pregnancy, at which point the fetus could survive outside the womb</i>	89
30	Table MCHE9_4: <i>Do you support or oppose each of the following health care policies? Requiring patients under 18 to receive consent from their parents before receiving an abortion</i>	93

31 **Table MCHE9_5:** *Do you support or oppose each of the following health care policies? Requiring patients seeking an abortion to wait 24+ hours after their first consultation with their doctor* 97

32 **Table MCHE9_6:** *Do you support or oppose each of the following health care policies? Requiring patients seeking an abortion to undergo counseling before receiving an abortion . . .* 101

33 **Table MCHE9_7:** *Do you support or oppose each of the following health care policies? Requiring patients seeking an abortion to undergo an ultrasound before receiving an abortion .* 105

34 **Table MCHE9_8:** *Do you support or oppose each of the following health care policies? Requiring abortions be performed by licensed physicians* 109

35 **Table MCHE9_9:** *Do you support or oppose each of the following health care policies? Allowing patients seeking an abortion to access medication abortion via telehealth, rather than requiring an in-person doctor’s visit* 113

36 **Table MCHE9_10:** *Do you support or oppose each of the following health care policies? Restricting private insurance coverage of abortions* 117

37 **Table MCHE9_11:** *Do you support or oppose each of the following health care policies? Allowing state Medicaid funds to pay for all or most abortions that are considered medically necessary* 121

38 **Table MCHE10:** *Would you support or oppose the U.S. Supreme Court overturning Roe v. Wade, the 1973 legal decision that established the constitutional right to abortion?* 125

39 **Table MCHE11_1:** *How concerned are you, if at all, about the following issues if the U.S. Supreme Court allows states to further restrict abortion access? Myself or someone I know being unable to access safe abortion services if needed* 129

40 **Table MCHE11_2:** *How concerned are you, if at all, about the following issues if the U.S. Supreme Court allows states to further restrict abortion access? Myself or someone I know not having the freedom to make their own future family planning decisions* 133

41 **Table MCHE11_3:** *How concerned are you, if at all, about the following issues if the U.S. Supreme Court allows states to further restrict abortion access? Myself or someone I know not being able to access reproductive health care services because of limited providers where I live* 137

42 **Table MCHE11_4:** *How concerned are you, if at all, about the following issues if the U.S. Supreme Court allows states to further restrict abortion access? Myself or someone I know not being able to access abortion care services because of limited providers where I live* 141

43 **Table MCHE12:** *If abortion access was limited or eliminated in your current state, would you* 145

44 **Table MCHE13:** *Do you think abortion should be* 149

45 **Table MCHEdem1_1:** *Have you or someone in your household ever accessed the following health care services? Abortion care services* 153

46 **Table MCHEdem1_2:** *Have you or someone in your household ever accessed the following health care services? Reproductive health care services* 157

47	Table MCHEdem1_3: <i>Have you or someone in your household ever accessed the following health care services? Primary health care services</i>	161
48	Table MCHEdem1_4: <i>Have you or someone in your household ever accessed the following health care services? Emergency health care services</i>	165
49	Table MCHEdem1_5: <i>Have you or someone in your household ever accessed the following health care services? Long-term health care services</i>	169
50	Table MCHEdem1_6: <i>Have you or someone in your household ever accessed the following health care services? Mental health care services</i>	173
