

National Tracking Poll #2202141
February 19-20, 2022

Crosstabulation Results

Methodology:

This poll was conducted between February 19-February 20, 2022 among a sample of 4009 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCER1: <i>How concerned are you with the issue of climate change and its impacts?</i> . . .	6
2	Table MCER2: <i>How concerned are you with the issue of climate change and its impacts on your community?</i>	10
3	Table MCER3: <i>How confident are you that your community will take steps to mitigate and adapt to the impacts of climate change in the next decade?</i>	14
4	Table MCER4: <i>As you may know, Congress passed a \$1 trillion bipartisan bill to improve America’s infrastructure. Do you think state governments or the federal government should have the most responsibility in deciding how the funding should be used?</i>	18
5	Table MCER5: <i>Research shows that the negative consequences of pollution and climate change disproportionately impact communities of color. Do you support or oppose your local government prioritizing investments in communities of color to lessen the negative consequences of pollution and climate change?</i>	22
6	Table MCER6: <i>Do you support or oppose your local government prioritizing investments in communities of color to lessen the negative consequences of pollution and climate change?</i> . . .	26
7	Table MCER7_1NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Investing in better public transportation options</i>	30
8	Table MCER7_2NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Increasing accessibility to chargers for electric cars</i>	34
9	Table MCER7_3NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Investing in improving roads and bridges</i>	38
10	Table MCER7_4NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Expanding access to high-speed internet</i>	42
11	Table MCER7_5NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Expanding access to clean drinking water</i>	46
12	Table MCER7_6NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Decreasing pollution</i>	50

13	Table MCER7_7NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Improving the condition and safety of existing highway lanes</i>	54
14	Table MCER7_8NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Expanding and creating new highway lanes</i>	58
15	Table MCER7_9NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Developing safer and better-quality affordable housing options</i>	62
16	Table MCER7_10NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Developing structures to reduce the negative effects of climate change (extreme weather, rise in sea levels, etc.)</i>	66
17	Table MCER7_11NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Investing in clean and renewable energy power sources</i>	70
18	Table MCER7_12NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? Upgrading airports, ports, and freight infrastructure</i>	74
19	Table MCER7_13NET: <i>Thinking about the community in which you live, which of the following initiatives related to infrastructure and climate change do you think should be the top three priorities for your local government to take action on? None of these</i>	78
20	Table MCER8_1: <i>Thinking about where you live, how would you describe the quality of each of the following? Public transportation</i>	82
21	Table MCER8_2: <i>Thinking about where you live, how would you describe the quality of each of the following? The availability of quality, affordable housing</i>	86
22	Table MCER9: <i>Thinking about public transportation where you live, which of the following improvements do you think should be the top priority for your local government to address? .</i>	90
23	Table MCER10: <i>Please select which statement is closest to your opinion, even if neither is exactly right.</i>	95
24	Table MCER11: <i>If you had to pick one of the following, which do you think would most improve the quality of life for people in your community?</i>	100

25	Table MCER12: <i>Certain cities have begun using congestion pricing to reduce traffic and pollution. Congestion pricing is a charge for drivers who choose to enter the busiest parts of the city during times of peak traffic. To what extent do you support or oppose congestion pricing?</i>	104
26	Table MCER13_1: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Building more affordable housing</i>	108
27	Table MCER13_2: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Increasing access to clean energy sources</i>	112
28	Table MCER13_3: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Increasing the energy efficiency of existing housing</i>	116
29	Table MCER13_4: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Reducing the levels of local pollution</i>	120
30	Table MCER13_5: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Improving sidewalks and streets</i>	124
31	Table MCER13_6: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Removing zoning laws and regulatory barriers to building new homes and apartments</i>	128
32	Table MCER13_7: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Expanding green space</i>	132
33	Table MCER13_8: <i>Thinking about housing around where you live, to what extent should each of the following be a priority for your local government to address? Expanding bicycle infrastructure</i>	136
34	Table MCERdem1_1NET: <i>Do you or someone in your household currently own a car(s)? Please select all that apply. Yes, an all-electric vehicle(s)</i>	140
35	Table MCERdem1_2NET: <i>Do you or someone in your household currently own a car(s)? Please select all that apply. Yes, a hybrid vehicle(s)</i>	144
36	Table MCERdem1_3NET: <i>Do you or someone in your household currently own a car(s)? Please select all that apply. Yes, a gas-powered vehicle(s)</i>	148
37	Table MCERdem1_4NET: <i>Do you or someone in your household currently own a car(s)? Please select all that apply. No, my household does not own a vehicle</i>	152
38	Table MCERdem2_1: <i>Approximately how often do you do each of the following? Take public transportation</i>	156
39	Table MCERdem2_2: <i>Approximately how often do you do each of the following? Drive a car</i>	160

40	Table P1: <i>Now, generally speaking, would you say that things in the country are going in the right direction, or have they pretty seriously gotten off on the wrong track?</i>	164
41	Table nr2b: <i>Do you approve or disapprove of the job Joe Biden is doing as President?</i>	168
42	Table P3: <i>Now, thinking about your vote, what would you say is the top set of issues on your mind when you cast your vote for federal offices such as U.S. Senate or Congress?</i>	172
43	Summary Statistics of Survey Respondent Demographics	177
