Table MCEN4: As you may know, at the 2022 Academy Awards, actor Chris Rock made a joke related to Jada Pinkett Smith's hair while presenting an award onstage. This comment may have been in reference to her medical condition, alopecia, which causes partial or total hair loss across the scalp and body. The comment prompted Pinkett's husband, Will Smith, to walk on stage and slap Chris Rock's face on live television. Afterwards, Will Smith returned to his seat, but cursed and shouted at Chris Rock to not talk about his wife again. Knowing what you know now, do you believe Will Smith's actions to be an appropriate or inappropriate response to Chris Rock's comments?
