

National Tracking Poll #2204051
April 09-11, 2022

Crosstabulation Results

Methodology:

This poll was conducted between April 9-April 11, 2022 among a sample of 2005 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
