

National Tracking Poll #2205183
May 27-29, 2022

Crosstabulation Results

Methodology:

This poll was conducted between May 27-May 29, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCHE1: <i>How much have you seen, read, or heard about medication abortion, also referred to as the abortion pill?</i>	5
2	Table MCHE2_1: <i>As far as you know, how safe or unsafe are each of the following measures? Surgical abortion</i>	9
3	Table MCHE2_2: <i>As far as you know, how safe or unsafe are each of the following measures? Medication abortion</i>	13
4	Table MCHE3_1: <i>As far as you know, how effective or ineffective are each of the following measures? Surgical abortion</i>	17
5	Table MCHE3_2: <i>As far as you know, how effective or ineffective are each of the following measures? Medication abortion</i>	21
6	Table MCHE4_1: <i>Medication abortion is a two-drug combination that terminates pregnancy within the first 10 weeks. The combination can be taken at home or any location, and has been approved by the Food and Drug Administration (FDA). Medication abortions now account for more than half of abortions in the U.S. Do you support or oppose people in your state having access to the following measures? Surgical abortion</i>	25
7	Table MCHE4_2: <i>Medication abortion is a two-drug combination that terminates pregnancy within the first 10 weeks. The combination can be taken at home or any location, and has been approved by the Food and Drug Administration (FDA). Medication abortions now account for more than half of abortions in the U.S. Do you support or oppose people in your state having access to the following measures? Medication abortion</i>	29
8	Table MCHE5_1: <i>Sometimes over the course of a survey people change their minds. As far as you know, how safe or unsafe are each of the following measures? Surgical abortion</i>	33
9	Table MCHE5_2: <i>Sometimes over the course of a survey people change their minds. As far as you know, how safe or unsafe are each of the following measures? Medication abortion</i>	37
10	Table MCHE6_1: <i>As far as you know, how effective or ineffective are each of the following measures? Surgical abortion</i>	41
11	Table MCHE6_2: <i>As far as you know, how effective or ineffective are each of the following measures? Medication abortion</i>	45
12	Table MCHE7_1NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." In-person at a doctor's office or health clinic</i>	49
13	Table MCHE7_2NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." Telemedicine or other virtual health services that send medication abortion pills through the mail</i>	53

14	Table MCHE7_3NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." Pharmacies or drug stores with a prescription</i>	57
15	Table MCHE7_4NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." Pharmacies or drug stores without a prescription</i>	61
16	Table MCHE7_5NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." None of these . . .</i>	65
17	Table MCHE7_6NET: <i>Where do you think people in your state should be able to access medication abortion? Please select all that apply. If you do NOT believe that people in your state should be able to access medication abortion, please select "None of these." Don't know / No Opinion</i>	69
18	Table MCHE8_1: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Making it illegal to have a medication abortion</i>	73
19	Table MCHE8_2: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Making it illegal to have a surgical abortion</i>	77
20	Table MCHE8_3: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Making it illegal to receive medication abortion pills through the mail</i>	81
21	Table MCHE8_4: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Filing criminal charges against people for having medication abortions</i>	85
22	Table MCHE8_5: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Filing criminal charges against health care professionals for providing medication abortions</i>	89
23	Table MCHE8_6: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Filing criminal charges against people for traveling out-of-state to have a surgical or medication abortion</i>	93
24	Table MCHE8_7: <i>The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Requiring people to access medication abortion in-person at a doctor's office or health care clinic</i>	97

25 **Table MCHE9_1:** *The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Providing financial assistance to patients traveling from other states to receive abortions in their state* 101

26 **Table MCHE9_2:** *The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Providing funds to support abortion providers in their state* 105

27 **Table MCHE9_3:** *The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Protecting abortion care providers in their state from being charged or sued by other states* 109

28 **Table MCHE9_4:** *The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Protecting patients who access abortion care in their state from being charged or sued by other states* 113

29 **Table MCHE9_5:** *The following are initiatives some states plan to institute if Roe v. Wade is overturned. Do you support or oppose each of the following initiatives taking effect in your state? Making it easier to access medication abortion* 117

30 **Table MCHE10:** *Do you think abortion should be* 121

31 **Table MCHEdem1_1:** *Have you or someone you know ever accessed the following health care services? Abortion care services* 125

32 **Table MCHEdem1_2:** *Have you or someone you know ever accessed the following health care services? Reproductive health care services* 129

33 **Summary Statistics of Survey Respondent Demographics** 133

Table MCHE4_2: Medication abortion is a two-drug combination that terminates pregnancy within the first 10 weeks. The combination can be taken at home or any location, and has been approved by the Food and Drug Administration (FDA). Medication abortions now account for more than half of abortions in the U.S. Do you support or oppose people in your state having access to the following measures?

Medication abortion

Demographic	Strongly support		Somewhat support		Somewhat oppose		Strongly oppose		Don't know / No opinion		Total N
Adults	35%	(782)	19%	(417)	8%	(179)	19%	(431)	18%	(401)	2210
2016 Vote: Hillary Clinton	54%	(390)	20%	(145)	4%	(31)	8%	(56)	14%	(102)	724
