

National Tracking Poll #2205173  
May 26-28, 2022

*Crosstabulation Results*

*Methodology:*

This poll was conducted between May 26-May 28, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Table Index

- 1 **Table MCTE1\_1:** *On an average day, how many of the following do you receive? Scam robo-calls, or unwanted spam calls . . . . .* 4
- 2 **Table MCTE1\_2:** *On an average day, how many of the following do you receive? Scam robo-texts, or unwanted spam texts . . . . .* 8
- 3 **Table MCTE1\_3:** *On an average day, how many of the following do you receive? Spam emails* 12
- 4 **Table MCTE2\_1:** *In the past 6 months, would you say you're receiving more or less of the following than usual? Scam robocalls, or unwanted spam calls . . . . .* 16
- 5 **Table MCTE2\_2:** *In the past 6 months, would you say you're receiving more or less of the following than usual? Scam robotexts, or unwanted spam texts . . . . .* 20
- 6 **Table MCTE2\_3:** *In the past 6 months, would you say you're receiving more or less of the following than usual? Spam emails . . . . .* 24
- 7 **Table MCTE3\_1:** *As you may know, robocalls and robotexts are often used by political and telemarketing phone campaigns, but are sometimes associated with scams. The following questions are specifically about scams facilitated via robocalls and robotexts. How responsible is each of the following for crafting and implementing policies to protect people from scam robocalls and robotexts? The president and their administration, including federal regulators . . .* 28
- 8 **Table MCTE3\_2:** *As you may know, robocalls and robotexts are often used by political and telemarketing phone campaigns, but are sometimes associated with scams. The following questions are specifically about scams facilitated via robocalls and robotexts. How responsible is each of the following for crafting and implementing policies to protect people from scam robocalls and robotexts? Lawmakers in Congress . . . . .* 32
- 9 **Table MCTE3\_3:** *As you may know, robocalls and robotexts are often used by political and telemarketing phone campaigns, but are sometimes associated with scams. The following questions are specifically about scams facilitated via robocalls and robotexts. How responsible is each of the following for crafting and implementing policies to protect people from scam robocalls and robotexts? Telecommunications companies . . . . .* 36
- 10 **Table MCTE4:** *Who is primarily responsible for crafting and implementing policies to protect people from scam robocalls and robotexts? . . . . .* 40
- 11 **Table MCTE5:** *Based on what you know, does more or less need to be done to protect people from scam robocalls and robotexts, or is enough being done? . . . . .* 44
- 12 **Table MCTE6\_1:** *Do you support or oppose each of the following measures the federal government could take to protect people from scam robocalls and robotexts? Mandate that phone service providers implement measures to authenticate their callers . . . . .* 48
- 13 **Table MCTE6\_2:** *Do you support or oppose each of the following measures the federal government could take to protect people from scam robocalls and robotexts? Ensure that phone service providers better police their customers . . . . .* 52

14	<b>Table MCTE6_3:</b> <i>Do you support or oppose each of the following measures the federal government could take to protect people from scam robocalls and robotexts? Mandate that phone service providers enter their robocall information into the Federal Communications Commission's (FCC) database in a timely fashion . . . . .</i>	56
15	<b>Table MCTE6_4:</b> <i>Do you support or oppose each of the following measures the federal government could take to protect people from scam robocalls and robotexts? Facilitate reporting of scam robocalls and robotexts . . . . .</i>	60
16	<b>Table MCTE6_5:</b> <i>Do you support or oppose each of the following measures the federal government could take to protect people from scam robocalls and robotexts? Enact tougher legislation to protect people from scam robocalls and robotexts . . . . .</i>	64
17	<b>Table MCTE7:</b> <i>To the best of your knowledge, have you or anyone you know ever fallen victim to a scam robocall or robotext? . . . . .</i>	68
18	<b>Summary Statistics of Survey Respondent Demographics . . . . .</b>	71
