National Tracking Poll \#2206148
June 22-24, 2022
Crosstabulation Results

Methodology:
This poll was conducted between June 22-June 24, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

## Table Index

1 Table MCHE1_1: Ifyou or a family member ever needs to visit the following medical providers and/or facilities, how confident are you that you will know the associated costs and what you
will end up paying before treatment? A primary care practitioner/doctor

2 Table MCHE1_2: Ifyou or a family member ever needs to visit the following medical providers and/or facilities, how confident are you that you will know the associated costs and what you will end up paying before treatment? A medical specialist

3 Table MCHE1_3: Ifyou or a family member ever needs to visit the following medical providers and/or facilities, how confident are you that you will know the associated costs and what you will end up paying before treatment? An emergency room in a hospital

4 Table MCHE1_4: Ifyou or a family member ever needs to visit the following medical providers and/or facilities, how confident are you that you will know the associated costs and what you will end up paying before treatment? An urgent care center

5 Table MCHE1_5: Ifyou or a family member ever needs to visit the following medical providers and/or facilities, how confident are you that you will know the associated costs and what you will end up paying before treatment? A mental health specialist, therapist, or psychiatrist

6 Table MCHE2: The following questions refer to issues related to health insurance coverage. If you have private or employer-based health insurance, in-network refers to health care providers that have a contract with your health insurance company and will accept your insurance. Out-of-network refers to health care providers that do not have a contract with your health insurance company and will not accept your insurance. Surprise or unexpected billing occurs when a person with private or employer-based health insurance receives treatment from a provider or facility that is unknowingly out of their health insurance network and is billed the additional costs that their insurance company will not cover. Have you or your family ever received a surprise or unexpected medical bill(s)?26

7 Table MCHE3: Have you or your family received a surprise or unexpected medical bill(s) since January 2022?

8 Table MCHE4_1NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Treatment at an out-of-network hospital or health care facility

9 Table MCHE4_2NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Treatment from an out-of-network physician or specialist at an in-network hospital or health care facility

10 Table MCHE4_3NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Transportation to an emergency department by an out-of-network ambulance

11 Table MCHE4_4NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Lab work at an in-network hospital or health care facility that was sent to an out-ofnetwork lab for assessment

12 Table MCHE4_5NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Testing or procedure that was not covered by your insurance

13 Table MCHE4_6NET: What type of treatment did you or a family member receive since January 2022 that resulted in a surprise or unexpected medical bill(s)? Please select all that apply. Other, please specify:

14 Table MCHE5_1NET: Approximately how much did you or your family have to pay out-ofpocket for the surprise or unexpected medical bill(s) you have received since January 2022? If you have received multiple surprise or unexpected bills, please select all that apply. Less than \$100.

15 Table MCHE5_2NET: Approximately how much did you or your family have to pay out-ofpocket for the surprise or unexpected medical bill(s) you have received since January 2022? If you have received multiple surprise or unexpected bills, please select all that apply. \$100-\$499

16 Table MCHE5_3NET: Approximately how much did you or your family have to pay out-ofpocket for the surprise or unexpected medical bill(s) you have received since January 2022? If you have received multiple surprise or unexpected bills, please select all that apply. \$500-\$1000 58

17 Table MCHE5_4NET: Approximately how much did you or your family have to pay out-ofpocket for the surprise or unexpected medical bill(s) you have received since January 2022? If you have received multiple surprise or unexpected bills, please select all that apply. More than \$1000

18 Table MCHE5_5NET: Approximately how much did you or your family have to pay out-ofpocket for the surprise or unexpected medical bill(s) you have received since January 2022? If you have received multiple surprise or unexpected bills, please select all that apply. Don't know

19 Table MCHE6_1: How concerned are you, if at all, about receiving a surprise or unexpected medical bill(s) if you or a family member needed to visit any of the following medical providers and/or facilities? A primary care practitioner/doctor67

20 Table MCHE6_2: How concerned are you, if at all, about receiving a surprise or unexpected medical bill(s) ifyou or a family member needed to visit any of the following medical providers and/or facilities? A medical specialist

21 Table MCHE6_3: How concerned are you, if at all, about receiving a surprise or unexpected medical bill(s) if you or a family member needed to visit any of the following medical providers and/or facilities? An emergency room in a hospital

22 Table MCHE6_4: How concerned are you, if at all, about receiving a surprise or unexpected medical bill(s) if you or a family member needed to visit any of the following medical providers and/or facilities? An urgent care center

23 Table MCHE6_5: How concerned are you, if at all, about receiving a surprise or unexpected medical bill(s) if you or a family member needed to visit any of the following medical providers and/or facilities? A mental health specialist, therapist, or psychiatrist

24 Table MCHE7_1: Have you ever hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A primary care practitioner/doctor

25 Table MCHE7_2: Have you ever hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A medical specialist

26 Table MCHE7_3: Have you ever hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? An emergency room in a hospital

27 Table MCHE7_4: Have you ever hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? An urgent care center

28 Table MCHE7_5: Have you ever hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A mental health specialist, therapist, or psychiatrist

29 Table MCHE8_1: Since January 2022, have you hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A primary care practitioner/doctor

30 Table MCHE8_2: Since January 2022, have you hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A medical specialist

31 Table MCHE8_3: Since January 2022, have you hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? An emergency room in a hospital

32 Table MCHE8_4: Since January 2022, have you hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? An urgent care center

33 Table MCHE8_5: Since January 2022, have you hesitated to or did not seek care from any of the following medical providers and/or facilities because you were concerned about receiving a surprise or unexpected medical bill(s)? A mental health specialist, therapist, or psychiatrist

34 Table MCHE9: A new federal law called the No Surprises Act took effect as of Jan. 1, 2022. This new law institutes protections for Americans with private or employer-based insurance, including banning surprise or unexpected billing after receiving emergency treatment from an out-of-network provider and requiring medical providers to inform patients of all costs before treatment. How much have you seen, read, or heard about the No Surprises Act going into effect? 127

# 35 Table MCHE10: If you were to receive a surprise or unexpected medical bill for health care treatment and you believed it to be illegal under the No Surprises Act, how confident would you be in addressing the discrepancy with your provider or insurance company? <br> 131 

36 Summary Statistics of Survey Respondent Demographics . . . . . . . . . . . . . . . . . 135

## Crosstabulation Results by Respondent Demographics

Table MCHE9: A new federal law called the No Surprises Act took effect as of Jan. 1, 2022. This new law institutes protections for Americans with private or employer-based insurance, including banning surprise or unexpected billing after receiving emergency treatment from an out-of-network provider and requiring medical providers to inform patients of all costs before treatment. How much have you seen, read, or heard about the No Surprises Act going into effect?

| Demographic | A lot |  | Some |  | Not much |  | Nothing at all |  | Total N |

Table MCHE9: A new federal law called the No Surprises Act took effect as of Jan. 1, 2022. This new law institutes protections for Americans with private or employer-based insurance, including banning surprise or unexpected billing after receiving emergency treatment from an out-of-network provider and requiring medical providers to inform patients of all costs before treatment.How much have you seen, read, or heard about the No Surprises Act going into effect?

| Demographic | A lot |  | Some |  | Not much |  | Nothing at all |  | Total N |
