Table POL9: *As you may know, the debt limit is the maximum amount of money that the U.S. government can borrow (or the maximum debt they are allowed to have). The U.S. Congress can raise this amount so that the U.S. government can borrow more money to pay for its needs. If the U.S. Congress doesn't raise the debt limit, the U.S. could default on its loans and see its credit rating downgraded. Which of the following do you think is more important for Congress to do?*

Demographic	Raise the debt limit without making cuts to Social Security and Medicare		Raise the debt limit only if cuts are made to Social Security and Medicare		Don't know / No opinion		Total N
