

National Tracking Poll #2303198  
March 31 - April 02, 2023

*Crosstabulation Results*

*Methodology:*

This poll was conducted between March 31-April 2, 2023 among a sample of 1959 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Table Index
