Table MCTE4_5: *As you may know, some technology companies have claimed their AI platforms have shown signs of artificial general intelligence. A group of high-profile people in the tech industry, including Elon Musk and Steve Wozniak, have called for a pause on AI innovation until there's confidence that any risks are manageable and the effects are largely positive.Based on what you know, do you believe existing AI tools are capable of the following?*
Pose an existential threat to humans

Demographic	Yes, definitely		Yes, probably		No, probably not		No, definitely not		Total N
